## ***Thank you!***

For three years, I have taught at Princess Margaret Public School, teaching Pre-Kindergarten and Kindergarten students. I worked closely with a great support team and students in my classroom, building great relationships with wonderful staff, teachers, parents, and students. Pre-Kindergarten and Kindergarten, I learnt about how young minds learn through Social Dramatic Play and the vast world of learning, through curiosity and discovery. With the added educational ingredients. Seeing children's growth, smiles and laughter was a milestone and a great experience with all the teaching concepts. The children were amazing!

Thank you, staff, students, and parents, for giving me the opportunity to educate young minds and to learn another skill to add to my education journey!

*Yours truly, Miss Tichkowsky*

“Never give up on your dreams and be inspired to strive for the future successes and opportunities that education brings.”

## **IMPORTANT INFORMATION ABOUT THE SCHOOL BUS**

Any students needing the school bus this fall must be registered. It only takes 2 to 3 minutes and is very easy to do! Registrations do not have to be done every year, but a student must be re-registered if their information (such as school, address or contact info) is changing. If you are not sure if you already have registered, please give us a call at the number below or simply register again. Doing so now will ensure your child is placed on the proper bus for the first day of school. Not registering on time could delay having your child assigned a bus several days into the new school year.

Click here <https://www3.srsd119.ca/busgarage/transport/request.php> or you can simply type “Sask Rivers School Division” or “SRSD119” in a search engine (we recommend Google). Scrolling down you should find the “Transportation” section with some helpful tools like a bus notification set up and, of course, the “School Busing Request Form”.

If you have any questions, please contact the Transportation Department at 306-763-2323.

Thank you,  
Ryan Bruce, Manager of Transportation
