Principal's Message

As we head into the final month of the school year at Princess Margaret Public School, I want to thank our students, staff, families, and community for another wonderful year of learning, growth, and connection. June is always a busy and exciting month filled with celebrations, field trips, outdoor learning, and opportunities for students to create lasting memories together.

Personally, this June is especially meaningful for me as it marks the end of my five years as Principal at Princess Margaret School. It has truly been a privilege to watch our students grow and learn over the years — from shy Kindergarten students becoming confident leaders, to Grade 8 students preparing for high school and beyond. I am incredibly proud of the kindness, resilience, and spirit that make this school community so special. Thank you to our families for your support and partnership, and to our dedicated staff for the care and commitment you show students every day. While I am excited to begin a new chapter at St. Mary High School next fall, Princess Margaret will always hold a special place in my heart.

We would also like to recognize several staff changes for the 2026–2027 school year. Vice-Principal Jana Wilkie will be moving to P.A.C.I., and counselor Nicole Crawford will be joining Queen Mary Public School. Our librarian, Vicki Johnson, will be moving to John Diefenbaker Public School, while Tracy Fiddler will become our new librarian. We also wish a very happy retirement to Greg Smith after many years of dedication to students and athletics. We welcome Lana Shaw as a new half-time EA. Looking ahead, Michelle Thomas will be joining PMPS as Principal from Osborne School, and Adie Schenk will be the new Vice-Principal coming from Wesmor Public High School.

We hope everyone enjoys a safe, restful, and enjoyable summer break. Thank you again for a fantastic year at Princess Margaret Public School!

Jaret Nelson
Principal

Vice-Principal's Message

As this year comes to a close, it is an emotional time. I have spent four fantastic years as a member of the Timberwolf family but now I will be moving on to P.A.C.I. as Vice-Principal for the fall. Although high school is where I had been most familiar with in the past, I have come to embrace all that is elementary school. My most favourite parts...the unconditional hugs, the words “You’re beautiful”, or “I love your dress, you’re so pretty”, the pure joy on the playground, and so much more.

Seeing from the ground up the dedication of our school staff to turn our students into readers, writers and more importantly, amazing human beings, has been an honour and I could not be more proud of everyone. Princess Margaret is an incredible place to be and be sure that your children are in excellent hands! I will miss working with the staff and the kids here have a special place in my heart! Have a fantastic summer! All the best!

Mrs. Jana Wilkie
Vice-Principal

TRACK AND FIELD

The Carlton P4A track meet will be at Carlton on June 2 and 3. Princess Margaret has athletes who will be competing at Carlton both days. Athletes are encouraged to dress appropriately for the weather and to remember their water bottles. Notes to our athletes pertaining to all the details about the meet will be sent home.

Before and After School Program

Looking back at our Before and After School Program, we have had a successful year!

The last day for the Before School Program will be Wednesday, June 24, 2026 and the After School Program will end Tuesday, June 23, 2026.

IMPORTANT INFORMATION ABOUT THE SCHOOL BUS

Any students needing the school bus this fall must be registered. It only takes 2 to 3 minutes and is very easy to do! Registrations do not have to be done every year, but a student must be re-registered if their information (such as school, address or contact info) is changing. If you are not sure if you already have registered, please give us a call at the number below or simply register again. Doing so now will ensure your child is placed on the proper bus for the first day of school. Not registering on time could delay having your child assigned a bus several days into the new school year.

Click here <https://www3.srsd119.ca/busgarage/transport/request.php> or you can simply type "Sask Rivers School Division" or "SRSD119" in a search engine (we recommend Google). Scrolling down you should find the "Transportation" section with some helpful tools like a bus notification set up and, of course, the "School Busing Request Form".

If you have any questions, please contact the Transportation Department at 306-763-2323.

Thank you,
Ryan Bruce, Manager of Transportation
